Valerie

Well sometimes I go out by myself
And I look across the water
And I think of all the things, what you're doing
And in my head I paint a picture

'Cause since I've come on home
Well my body's been a mess
And I've missed your ginger hair
And the way you like to dress
Won't you come on over
Stop making a fool out of me
Why don't you come on over, Valerie?

Valerie
Valerie
Valerie

Did you have to go to jail
Put your house on up for sale, did you get a good lawyer?
I hope you didn't catch a tan
I hope you'll find the right man who'll fix it for ya
Are you shopping anywhere
Changed the color of your hair, are you busy?
And did you have to pay that fine
That you were dodging all the time, are you still dizzy?

Since I've come on home
Well my body's been a mess
And I've missed your ginger hair
And the way you like to dress
Won't you come on over?
Stop making a fool out of me
Why don't you come on over, Valerie?

Can't Help Falling in Love

Wise men say
Only fools, only fools rush in
Oh, but I, but I, I can't help falling in love with you
Shall I stay?
Would it be, would it be a sin?
If I can't help falling in love with you
Like a river flows
Surely to the sea
Darling, so it goes
Some things, you know, are meant to be
Take my hand
Take my whole life too
For I can't help falling in love with you
For I can't help falling in love with you
Yeah

Golden Dreams

I fly in space
flying from star to star
feel the heat in me

It's a big long street
where I go straight on
Don't look back anymore
In front of me
there's an empty space
I've no idea where I am
Golden Dream
Endless Sleep
Whispers in my ear
desert sand in my hand
I travel in the space
flying from star to star
feel the heat in me
Ghost visions follow me
voices whisper my name
and I began to rum
Golden Dream
Endless Sleep
Golden Dream
Endless Sleep
Ghost visions follow me
voices whisper my name
and I began to rum
Golden Dream
Endless Sleep
I wake up and I guess
I am here in the grass
Golden Dream
Endless Sleep

Hallelujah

Now I've heard there was a secret chord
That David played, and it pleased the Lord
But you don't really care for music, do you?
It goes like this, the fourth, the fifth
The minor falls, the major lifts
The baffled king composing Hallelujah
Hallelujah, Hallelujah
Hallelujah, Hallelujah
Your faith was strong but you needed proof
You saw her bathing on the roof
Her beauty and the moonlight overthrew her
She tied you to a kitchen chair
She broke your throne, and she cut your hair
And from your lips she drew the Hallelujah
Hallelujah, Hallelujah
Hallelujah, Hallelujah
Well, maybe there's a God above
As for me all I've ever learned from love
Is how to shoot somebody who outdrew you

But it's not a crime that you're hear tonight
It's not some pilgrim who claims to have seen the Light
No, it's a cold and it's a very broken Hallelujah
Hallelujah, Hallelujah
Hallelujah, Hallelujah
Instrumental
Hallelujah, Hallelujah
Hallelujah, Hallelujah
Well people I've been here before
I know this room and I've walked this floor
You see I used to live alone before I knew ya
And I've seen your flag on the marble arch
But listen love, love is not some kind of victory march, no
It's a cold and it's a broken Hallelujah
Hallelujah, Hallelujah
Hallelujah, Hallelujah
There was a time you let me know
What's really going on below
But now you never show it to me, do you?
And I remember when I moved in you
And the holy dove she was moving too
And every single breath we drew was Hallelujah
Hallelujah, Hallelujah
Hallelujah, Hallelujah
Now I've done my best, I know it wasn't much
I couldn't feel, so I tried to touch
I've told the truth, I didnt come here to London just to fool you
And even though it all went wrong
I'll stand right here before the Lord of song
With nothing, nothing on my tongue but Hallelujah
Hallelujah, Hallelujah
Hallelujah, Hallelujah
Hallelujah, Hallelujah
Hallelujah, Hallelujah
Hallelujah

Someone Like You

I heard that you're settled down
That you found a girl and you're married now
I heard that your dreams came true
Guess she gave you things, I didn't give to you
Old friend, why are you so shy?
Ain't like you to hold back or hide from the light
I hate to turn up out of the blue, uninvited
But I couldn't stay away, I couldn't fight it
I had hoped you'd see my face
And that you'd be reminded that for me, it isn't over
Never mind, I'll find someone like you
I wish nothing but the best for you, too
"Don't forget me, " I beg

I remember you said
"Sometimes it lasts in love, but sometimes it hurts instead"
"Sometimes it lasts in love, but sometimes it hurts instead"
You know how the time flies
Only yesterday was the time of our lives
We were born and raised in a summer haze
Bound by the surprise of our glory days
I hate to turn up out of the blue, uninvited
But I couldn't stay away, I couldn't fight it
I had hoped you'd see my face
And that you'd be reminded that for me, it isn't over
Never mind, I'll find someone like you
I wish nothing but the best for you, too
"Don't forget me," I begged
I remember you said
"Sometimes it lasts in love, but sometimes it hurts instead"
Nothing compares, no worries or cares
Regrets and mistakes, they're memories made
Who would have known how bittersweet this would taste?
Never mind, I'll find someone like you
I wish nothing but the best for you
"Don't forget me," I beg
I remember you said
"Sometimes it lasts in love, but sometimes it hurts instead"
Never mind, I'll find someone like you
I wish nothing but the best for you, too
"Don't forget me," I begged
I remember you said
"Sometimes it lasts in love, but sometimes it hurts instead"
"Sometimes it lasts in love, but sometimes it hurts instead"

Golden Sun

Oh Mr. Sun, Sun, Mr. Golden Sun
Please shine down on me
Oh Mr. Sun, Sun, Mr. Golden Sun
Hiding behind the tree
These little children are asking you
To please come out so we can play with you
Oh Mr. Sun, Sun, Mr. Golden Sun
Please shine down on me
Shine down on me
Shine, shine, shine
Shine down on me
Shine, shine, shine
Shine down on me
Shine, shine, shine
Shine down on me
Oh Mr. Sun, Mr. Sun, Mr. Golden Sun
Oh Mr. Sun, Sun, Mr. Golden Sun
Please shine down on me

Oh Mr. Sun, Sun, Mr. Golden Sun
Hiding behind the tree
These little children are asking you
To please come out so we can play with you
Oh Mr. Sun, Sun, Mr. Golden Sun
Please shine down on, please shine down on
Please shine down on me

The Prayer

I pray you'll be our eyes
And watch us where we go
And help us to be wise
In times when we don't know
Let this be our prayer
When we lose our way

Lead us to a place
Guide us with your grace
To a place where we'll be safe

[Andrea Bocelli (Celine Dion):]
La luce che tu dai
(I pray we'll find your light)
Nel cuore resterà
(And hold it in our hearts)
A ricordarci che
(When stars go out each night)
L'eterna stella sei
(Whoa)
Nella mia preghiera
(Let this be our prayer)
Quanta fede c'è
(When shadows fill our day)

Lead us to a place
(Guide us with your grace)
[Both:]
Give us faith so we'll be safe

Sogniamo un mondo senza più violenza
Un mondo di giustizia e di speranza
Ognuno dia la mano al suo vicino
Simbolo di pace, di fraternità

[Andrea Bocelli (Celine Dion):]
La forza che ci dà
(We ask that life be kind)
È il desiderio che
(And watch us from above)
Ognuno trovi amor

(We hope each soul will find)
Intorno e dentro sé
(Another soul to love)

[Both:]
Let this be our prayer
Let this be our prayer
Just like every child
Just like every child

Need to find a place
Guide us with your grace
Give us faith so we'll be safe

È la fede che
Hai acceso in noi
Sento che ci salverà

Human

I'm only human
I'm only—I'm only—
I'm only human, human

Maybe I'm foolish
Maybe I'm blind
Thinking I can see through this
And see what's behind
Got no way to prove it
So maybe I'm lying

But I'm only human after all
I'm only human after all
Don't put your blame on me
Don't put your blame on me

Take a look in the mirror
And what do you see?
Do you see it clearer
Or are you deceived
In what you believe?

'Cause I'm only human after all
You're only human after all
Don't put the blame on me
Don't put your blame on me

Some people got the real problems
Some people out of luck
Some people think I can solve them
Lord heavens above

I'm only human after all
I'm only human after all
Don't put the blame on me
Don't put the blame on me

Don't ask my opinion
Don't ask me to lie
Then beg for forgiveness
For making you cry
For making you cry

'Cause I'm only human after all
I'm only human after all
Don't put your blame on me
Don't put the blame on me

Some people got the real problems
Some people out of luck
Some people think I can solve them
Lord heavens above

I'm only human after all
I'm only human after all
Don't put the blame on me
Don't put the blame on me

I'm only human, I make mistakes
I'm only human that's all it takes
To put the blame on me
Don't put the blame on me

'Cause I'm no prophet or messiah
You should go looking somewhere higher

I'm only human after all
I'm only human after all
Don't put the blame on me
Don't put the blame on me

I'm only human, I do what I can
I'm just a man, I do what I can
Don't put the blame on me
Don't put your blame on me

Into the Unknown

I can hear you but I won't
Some look for trouble while others don't
There's a thousand reasons I should go about my day
And ignore your whispers, which I wish would go away, oh
(Oh) oh (oh)
You're not a voice, you're just a ringing in my ear
And if I heard you, which I don't, I'm spoken for I fear
Everyone I've ever loved is here within these walls
I'm sorry, secret siren but I'm blocking out your calls
I've had my adventure, I don't need something new
I'm afraid of what I'm risking if I follow you
Into the unknown
Into the unknown
Into the unknown
(Oh, oh)
What do you want? 'Cause you've been keeping me awake
Are you here to distract me so I make a big mistake?
Or are you someone out there who's a little bit like me?
Who knows deep down I'm not where I'm meant to be?
Every day's a little harder, as I feel my power grow
Don't you know there's part of me that longs to go
Into the unknown
Into the unknown
Into the unknown
(Oh, oh), whoa
Are you out there? Do you know me?
Can you feel me? Can you show me?
Oh (oh), oh (oh)
Oh (oh), oh (oh)
Oh (oh), oh (oh)
Where are you going? Don't leave me alone
How do I follow you
Into the unknown?

Don't Rain on My Parade

Don't Rain On My Parade"
(from "Funny Girl" soundtrack)

Don't tell me not to live
Just sit and putter
Life's candy and the sun's
A ball of butter
Don't bring around a cloud
To rain on my parade

Don't tell me not to fly
I've simply got to
If someone takes a spill
It's me and not you
Who told you you're allowed
To rain on my parade?!

I'll march my band out
I'll beat my drum
And if I'm fanned out
Your turn at bat, sir
At least I didn't fake it
Hat, sir, I guess I didn't make it!

But whether I'm the rose
Of sheer perfection
A freckle on the nose
Of life's complexion
The cinder or the shiny apple of its eye

I gotta fly once
I gotta try once
Only can die once, right, sir?

Ooh, life is juicy
Juicy, and you see
I gotta have my bite, sir!

Get ready for me, love
'Cause I'm a "comer"
I simply gotta march
My heart's a drummer
Don't bring around a cloud
To rain on my parade!

I'm gonna live and live now
Get what I want--I know how
One roll for the whole shebang

One throw, that bell will go clang
Eye on the target--and wham--
One shot, one gun shot, and bam!

Hey, Mister Arnstein, here I am!

I'll march my band out
I will beat my drum
And if I'm fanned out
Your turn at bat, sir
At least I didn't fake it, hat, sir
I guess I didn't make it

Get ready for me, love
'Cause I'm a "comer,"
I simply gotta march
My heart's a drummer
Nobody, no, nobody
Is gonna rain on my parade!

You Will Be Found

Have you ever felt like nobody was there?
Have you ever felt forgotten in the middle of nowhere?
Have you ever felt like you could disappear?
Like you could fall, and no one would hear?
Well, let that lonely feeling wash away
Maybe there's a reason to believe you'll be okay
'Cause when you don't feel strong enough to stand
You can reach, reach out your hand
And oh, someone will coming running
And I know, they'll take you home
Even when the dark comes crashing through
When you need a friend to carry you
And when you're broken on the ground
You will be found
So let the sun come streaming in
'Cause you'll reach up and you'll rise again
Lift your head and look around
You will be found
You will be found
You will be found
You will be found
You will be found
There's a place where we don't have to feel unknown
(Oh my god, everybody needs to see this)
And every time that you call out
You're a little less alone
(I can't stop watching this video, seventeen years old)
If you only say the word
(Take five minutes, this will make your day)

From across the silence your voice is heard
Share it with the people you love
(Repost, the world needs to hear this)
(A beautiful tribute, favourite!)
(I know someone who really needed to hear this today)
(So thank you Evan Hansen for doing what you're doing)
(I never met you Connor, but coming on here, reading everyone's posts)
(It's so easy to feel alone, but Evan is exactly right—we're not alone, none of us)
(We're not alone, none of us! None of us!)
(None of us are alone) (Like, forward)
Even when the dark comes crashing through
When you need a friend to carry you
When you're broken on the ground
You will be found
So let the sun come streaming in
'Cause you'll reach up and you'll rise again
If you only look around
You will be found (You will be found)
You will be found (You will be found)
You will be found
Out of the shadows
The morning is breaking
And all is new, all is new
It's filling up the empty
And suddenly I see that
All is new, all is new
You are not alone
You are not alone
You are not alone
You are not alone
You are not alone (You are not alone)
You are not alone (You are not alone)
You are not
You are not alone (You are not alone)
Even when the dark comes crashin' through
When you need someone to carry you
When you're broken on the ground
You will be found!
So when the sun comes streaming in
'Cause you'll reach up and you'll rise again
If you only look around
You will be found
You will be found
You will be found
You will be found!
You will be found

Suddenly Seymour

Lift up your head
Wash off your mascara
Here, take my Kleenex, wipe that lipstick away
Show me your face, clean as the morning
I know things were bad, but now they're okay
Suddenly, Seymour is standing beside you
You don't need no makeup, don't have to pretend
Suddenly, Seymour is here to provide you
Sweet understanding, Seymour's your friend
Nobody ever treated me kindly
Daddy left early, Mama was poor
I'd meet a man and I'd follow him blindly
He'd snap his fingers, me, I'd said sure
Suddenly, Seymour is standing beside me
He don't give me orders, he don't condescend
Suddenly, Seymour is here to provide me
Sweet understanding, Seymour's my friend
Tell me this feeling lasts 'til forever
Tell me the bad times are clean washed away
Please understand that it's still strange and frightening
For losers like I've been, it's so hard to say
Suddenly, Seymour (Suddenly, Seymour)
He purified me (He purified you)
Suddenly, Seymour (Suddenly, Seymour)
Showed me I can (Yes, you can)
Learn how to be more
The girl that's inside me (The girl that's inside inside you)
With sweet understanding (With sweet understanding)
With sweet understanding (With sweet understanding)
With sweet understanding
Seymour's your man

Beauty And The Beast

Golden Sun
Ooh-ooh-ooh, ooh, ooh
Tale as old as time
True as it can be
Barely even friends
Then somebody bends
Unexpectedly
Just a little change
Small to say the least
Both a little scared
Neither one prepared
Beauty and the beast

Ever just the same
Ever a surprise
Ever as before
And ever just as sure
As the sun will rise
Oh
Oh
Mmm, oh-oh-oh
Ever just the same
Ever a surprise
Ever as before
Ever just as sure
As the sun will rise
Oh, oh, oh
Tale as old as time (ooh-ooh)
Tune as old as song
Bittersweet and strange
Finding you can change
Learning you were wrong
Certain as the sun
Certain as the sun
Rising in the east
Tale as old as time
Song as old as rhyme
Beauty and the beast
Tale as old as time
Song as old as rhyme
Beauty and the beast
Oh, oh, oh
Ooh-ooh-ooh, ooh, ooh
Beauty and the beast

Seasons of Love

Five hundred twenty-five thousand, six hundred minutes
Five hundred twenty-five thousand moments so dear
Five hundred twenty-five thousand, six hundred minutes
How do you measure, measure a year?
In daylights, in sunsets
In midnights, in cups of coffee
In inches, in miles
In laughter, in strife
In five hundred twenty-five thousand, six hundred minutes
How do you measure a year in the life?
How about love?
How about love?
How about love?
Measure in love
Seasons of love
Seasons of love
Five hundred twenty-five thousand, six hundred minutes

Five hundred twenty-five thousand journeys to plan
Five hundred twenty-five thousand, six hundred minutes
How do you measure the life of a woman or a man?
It's time now to sing out
Though the story never ends
Let's celebrate
Remember a year in the life of friends
Remember the love
Remember the love, remember the love (oh, love)
Love (oh, give me love now)
Measure in love
(Measure in love
Measure in love
Seasons of love)
Five hundred twenty-five thousand, six hundred minutes (seasons of love)
Five hundred twenty-five thousand moments so dear (moments so dear)
Five hundred twenty-five thousand, six hundred minutes (seasons of love)
How do you measure, measure a year?
Measure in love (love), sweet love (love)
Seasons of love, oh yeah
Love (love), sweet love (love)
Seasons of love
Love (love), sweet love (love)
Seasons of love
Measure your life in
Seasons of love
Yeah, oh

Rotterdam

And the women tug their hair
Like they're trying to prove it won't fall out
And all the men are gargoyles
Dipped long in Irish stout
The whole place is pickled
The people are pickles for sure
And no one knows if they've done more here
Than they ever would do in a jar
This could be Rotterdam or anywhere
Liverpool or Rome
'Cause Rotterdam is anywhere
Anywhere alone
Anywhere alone
And everyone is blonde
And everyone is beautiful
And when blondes and beautiful are multiple
They become so dull and dutiful
And when faced with dull and dutiful
They fire red warning flares
Battle khaki personality
With red underwear
This could be Rotterdam or anywhere
Liverpool or Rome
'Cause Rotterdam is anywhere
Anywhere alone
Anywhere alone
The whole place is pickled
The people are pickles for sure
And no one knows if they've done more here
Than they ever would do in a jar

Can you hear me calling
Out your name?
You know that I'm falling
And I don't know what to say
I'll speak a little louder
I'll even shout
You know that I'm proud
And I can't get the words out
Oh, I
I want to be with you everywhere
Oh, I
I want to be with you everywhere
(Wanna be with you everywhere)
Something's happening
Happening to me
My friends say I'm acting peculiarly
Come on, baby
We better make a start
You better make it soon
Before you break my heart
Oh, I
I want to be with you everywhere
Oh, I
I want to be with you everywhere
(Wanna be with you everywhere)
Can you hear me calling
Out your name?
You know that I'm falling
And I don't know what to say
Come along, baby
We better make a start
You better make it soon
Before you break my heart

Three Little Birds

“Don’t worry about a thing
‘Cause every little thing is gonna be alright”
Singing, “Don’t worry about a thing
‘Cause every little thing is gonna be alright!”

Rise up this morning, smiled with the rising sun
Three little birds pitch by my doorstep
Singing sweet songs of melodies pure and true
Saying, “This is my message to you-ou-ou”

Singing, “Don’t worry about a thing
‘Cause every little thing is gonna be alright”
Singing, “Don’t worry about a thing (Don’t worry)
‘Cause every little thing is gonna be alright!”

Rise up this morning, smiled with the rising sun
Three little birds pitch by my doorstep
Singing sweet songs of melodies pure and true
Saying, “This is my message to you-ou-ou”

Singing, “Don’t worry about a thing (Worry about a thing, oh)
‘Cause every little thing is gonna be alright (Don’t worry)
Singing, “Don’t worry about a thing (I won’t worry)
‘Cause every little thing is gonna be alright!”
Singing, “Don’t worry about a thing
‘Cause every little thing is gonna be alright (I won’t worry)

Don’t Look Back In Anger

Slip inside the eye of your mind
Don’t you know you might find
A better place to play?
You said that you’d never been

But all the things that you've seen
Slowly fade away

So I start a revolution from my bed
'Cause you said the brains I had went to my head
Step outside, summertime's in bloom
Stand up beside the fireplace
Take that look from off your face
You ain't ever gonna burn my heart out

And so, Sally can wait
She knows it's too late as we're walking on by
Her soul slides away
But don't look back in anger, I heard you say

Take me to the place where you go
Where nobody knows if it's night or day
Please don't put your life in the hands
Of a rock 'n' roll band
Who'll throw it all away

I'm gonna start a revolution from my bed
'Cause you said the brains I had went to my head
Step outside, 'cause summertime's in bloom
Stand up beside the fireplace
Take that look from off your face
'Cause you ain't ever gonna burn my heart out

And so, Sally can wait
She knows it's too late as she's walking on by
My soul slides away
But don't look back in anger, I heard you say

So, Sally can wait
She knows it's too late as we're walking on by
Her soul slides away
But don't look back in anger, I heard you say

So, Sally can wait
She knows it's too late as she's walking on by
My soul slides away
But don't look back in anger, don't look back in anger
I heard you say
At least not today

Ironic

An old man turned ninety-eight
He won the lottery and died the next day
It's a black fly in your Chardonnay
It's a death row pardon two minutes too late

And isn't it ironic... don't you think
It's like rain on your wedding day
It's a free ride when you've already paid
It's the good advice that you just didn't take
And who would've thought... it figures
Mr. Play It Safe was afraid to fly
He packed his suitcase and kissed his kids goodbye
He waited his whole damn life to take that flight
And as the plane crashed down he thought
"Well isn't this nice..."
And isn't it ironic... don't you think
It's like rain on your wedding day
It's a free ride when you've already paid
It's the good advice that you just didn't take
And who would've thought... it figures
Well life has a funny way of sneaking up on you
When you think everything's okay and everything's going right
And life has a funny way of helping you out when
You think everything's gone wrong and everything blows up
In your face
A traffic jam when you're already late
A no-smoking sign on your cigarette break
It's like ten thousand spoons when all you need is a knife
It's meeting the man of my dreams
And then meeting his beautiful wife
And isn't it ironic... don't you think
A little too ironic... and, yeah, I really do think...
It's like rain on your wedding day
It's a free ride when you've already paid
It's the good advice that you just didn't take
Who would've thought... it figures
Life has a funny way of sneaking up on you
Life has a funny, funny way of helping you out...
Helping you out

Dignity

There's a man I meet, walks up our street
He's a worker for the council
Has been twenty years
And he takes no lip off nobody
And litter off the gutter
Puts it in a bag
And never thinks to mutter
And he packs his lunch in a Sunblest bag
The children call him Bogie
He never lets on
But I know 'cause he once told me
He let me know a secret about the money in his kitty
He's gonna buy a dinghy
Gonna call her Dignity

And I'll sail her up the west coast
Through villages and towns
I'll be on my holidays
They'll be doing their rounds
They'll ask me how I got her I'll say, "I saved my money"
They'll say, "Isn't she pretty? That ship called Dignity"
And I'm telling this story
In a faraway sea
Sipping down raki
And reading Maynard Keynes
And I'm thinking about home and all that that means
And a place in the winter for dignity
And I'll sail her up the west coast
Through villages and towns
I'll be on my holidays
They'll be doing the rounds
They'll ask me how I got her I'll say, "I saved my money"
They'll say, "Isn't she pretty? That ship called Dignity"
Stand it up, stand it up, stand it up, stand it up, stand it up, stand it up
Yeah, stand it up again, stand it up again, stand it up again, stand it up again
Stand it up, stand it up, stand it up, stand it up, stand it up, stand it up
Yeah, stand it up again, stand it up again, stand it up again, stand it up again
And I'm thinking about home
And I'm thinking about faith
And I'm thinking about work
And I'm thinking how good it would be
To be here some day
On a ship called Dignity
A ship called Dignity
That ship

Can't Help Falling In Love

Wise men say
Only fools, only fools rush in
Oh, but I, but I, I can't help falling in love with you
Shall I stay?
Would it be, would it be a sin?
If I can't help falling in love with you
Like a river flows
Surely to the sea
Darling, so it goes
Some things, you know, are meant to be
Take my hand
Take my whole life too
For I can't help falling in love with you
For I can't help falling in love with you
Yeah

Make Your Own Kind of Music

[Verse 1]

Nobody can tell ya
There's only one song worth singing
They may try and sell ya
'Cause it hangs them up
To see someone like you

[Chorus]

But you've gotta make your own kind of music
Sing your own special song
Make your own kind of music
Even if nobody else sings along

[Verse 2]

You're gonna be nowhere
The loneliest kind of lonely
It may be rough goin'
Just to do your thing's the hardest thing to do

[Chorus]

But you've gotta make your own kind of music
Sing your own special song
Make your own kind of music
Even if nobody else sings along

[Bridge]

So, if you cannot take my hand
And if you must be goin'
I will understand

Better Days

Better days are comin'
If no one told you
I hate to hear you cryin'
Over the phone, dear
For seven years runnin'
You've been a soldier
But better days are comin'
Better days are comin' for you
So when the night feels like forever
(Mh-mh)
I'll remember what you said to me
I know you've been hurtin'
Waitin' on a train that just won't come
The rain, it ain't permanent
And soon, we'll be dancin' in the sun
We'll be dancin' in the sun
And we'll sing your song together (eh-eh, eh-eh)
And we'll sing your song together (eh-eh, eh-eh)
We never miss the flowers
Until the sun's down
We never count the hours
Until they're runnin' out
You're on the other side of the storm now
You should be so proud
And better days are comin'
Better days are comin' for you
So when the night feels like forever
(Mh-mh)
I'll remember what you said to me
I know you've been hurting (is our time ever soothing?)
Waiting on a train that just won't come
The rain, it ain't permanent (is our time ever soothing?)
And soon, we'll be dancing in the sun
We'll be dancing in the sun
And we'll sing your song together (eh-eh, eh-eh)
And we'll sing your song together (eh-eh, eh-eh)
And we'll sing your song together (eh-eh, eh-eh)
And we'll sing your song together (eh-eh, eh-eh)
Your story's gonna change
Just wait for better days
You've seen too much of pain
Now, you don't even know
That your story's gonna change
Just wait for better days
I promise you, I won't let go
I know you've been hurting
Waiting on a train that just won't come
The rain, it ain't permanent (is our time ever soothing?)
And soon, we'll be dancing in the sun

We'll be dancing in the sun
And we'll sing your song together (eh-eh, eh-eh)
And we'll sing your song together (eh-eh, eh-eh)
And we'll sing your song together (eh-eh, eh-eh)
And we'll sing your song together (eh-eh, eh-eh)

Fix You

When you try your best, but you don't succeed
When you get what you want, but not what you need
When you feel so tired, but you can't sleep
Stuck in reverse
And the tears come streaming down your face
When you lose something you can't replace
When you love someone, but it goes to waste
Could it be worse?
Lights will guide you home
And ignite your bones
And I will try to fix you
And high up above, or down below
When you're too in love to let it go
But if you never try, you'll never know
Just what you're worth
Lights will guide you home
And ignite your bones
And I will try to fix you
Tears stream down your face
When you lose something you cannot replace
Tears stream down your face, and I
Tears stream down your face
I promise you I will learn from my mistakes
Tears stream down your face, and I
Lights will guide you home
And ignite your bones
And I will try to fix you

I Have a Dream

I Have a Dream, a song to sing
To help me cope, with anything
If you see the wonder, of a fairy tale
You can take the future, even if you fail
I believe in angels
Something good in everything I see
I believe in angels
When I know the time is right for me
I'll cross the stream, I Have a Dream
I Have a Dream, a fantasy
To help me through, reality

And my destination, makes it worth the while
Pushin' through the darkness, still another mile
I believe in angels
Something good in everything I see
I believe in angels
When I know the time is right for me
I'll cross the stream, I Have a Dream
I'll cross the stream, I Have a Dream
I Have a Dream, a song to sing
To help me cope, with anything
If you see the wonder, of a fairy tale
You can take the future, even if you fail
I believe in angels
Something good in everything I see
I believe in angels
When I know the time is right for me
I'll cross the stream, I Have a Dream
I'll cross the stream, I Have a Dream

Ordinary World

Came in from a rainy Thursday on the avenue
Thought I heard you talking softly
I turned on the lights, the TV, and the radio
Still, I can't escape the ghost of you
What has happened to it all?
Crazy, some'd say
Where is the life that I recognize?
(Gone away)
But I won't cry for yesterday
There's an ordinary world
Somehow I have to find
And as I try to make my way
To the ordinary world
I will learn to survive
Passion or coincidence
Once prompted you to say
"Pride will tear us both apart"
Well now pride's gone out the window
Cross the rooftops
Run away
Left me in the vacuum of my heart
What is happening to me?
Crazy, some'd say
Where is my friend when I need you most?
(Gone away)
But I won't cry for yesterday
There's an ordinary world
Somehow I have to find
And as I try to make my way
To the ordinary world

I will learn to survive
Ooh-ooh-ooh, ah-ah
Oh, yeah, oh
Papers in the roadside
Tell of suffering and greed
Fear today, forgot tomorrow
Ooh, here besides the news
Of holy war and holy need
Ours is just a little sorrowed talk
And I don't cry for yesterday
There's an ordinary world
Somehow I have to find
And as I try to make my way
To the ordinary world
I will learn to survive
Every world
Is my world (I will learn to survive)
Any world
Is my world (I will learn to survive)
Any world
Is my world
Every world
Is my world

Trustfall

Trustfall, baby
It's a trustfall, baby
Picture a place where it all doesn't hurt
Where everything's safe, and it doesn't get worse
Oh, my, we see through bloodshot eyes
Picture a place, somewhere else far away
Where you know what they mean, and they mean what they say to us
And would that be enough?
Are we running out of time?
Are we hiding from the light?
Are we just too scared to fight
For what we want tonight?
Close your eyes and leave it all behind
Go where love is on our side
It's a trustfall, baby
It's a trustfall, baby
You and I, and everyone alive
We can run into the fire
It's a trustfall, baby
Yeah, it's a trustfall, baby
Jump with me, come with me, burn like the sun
We'll talk, then we'll cry, then we'll laugh 'til we're done
Oh, my, it's like we're out our minds
We've been running for our lives
We've been hiding from the light

We've been far too scared to fight
For what we want tonight
Close your eyes and leave it all behind
Go where love is on our side
It's a trustfall, baby
It's a trustfall, baby
You and I, and everyone alive
We can run into the fire
It's a trustfall, baby
Yeah, it's a trustfall, baby
What if we just fall?
I'm not going without you
(And you're not going alone)
I fell so far 'til I found you
(But you know what you know, when you know)
So, I'm not going without you
(And you're not going alone)
'Cause you know, when you know
Close your eyes and leave it all behind
Go where love is on our side
It's a trustfall, baby
It's a trustfall, baby
What if we just fall?
What if we just fall?
What if we just fall?
What if we just fall?
What if we just fall?
What if we just fall?
What if we just-

Angels

I sit and wait
does an angel contemplate my fate
And do they know
The places where we go
When we're grey and old
'cause I have been told
That salvation lets their wings unfold
So when I'm lying in my bed
Thoughts running through my head
And I feel that love is dead
I'm loving angels instead
And through it all she offers me protection
A lot of love and affection
Whether I'm right or wrong
And down the waterfall
Wherever it may take me
I know that life won't break me
When I come to call
She won't forsake me

I'm loving angels instead
When I'm feeling weak
And my pain walks down a one way street
I look above
And I know I'll always be blessed with love
And as the feeling grows
She brings flesh to my bones
And when love is dead
I'm loving angels instead
And through it all she offers me protection
A lot of love and affection
Whether I'm right or wrong
And down the waterfall
Wherever it may take me
I know that life won't break me
When I come to call
She won't forsake me
I'm loving angels instead
And through it all she offers me protection
A lot of love and affection
Whether I'm right or wrong
And down the waterfall
Wherever it may take me
I know that life won't break me
When I come to call
She won't forsake me
I'm loving angels instead

Unwritten

I am unwritten
Can't read my mind
I'm undefined
I'm just beginning
The pen's in my hand
Ending unplanned
Staring at the blank page before you
Open up the dirty window
Let the sun illuminate the words that you could not find
Reaching for something in the distance
So close you can almost taste it
Release your inhibitions
Feel the rain on your skin
No one else can feel it for you
Only you can let it in
No one else, no one else
Can speak the words on your lips
Drench yourself in words unspoken
Live your life with arms wide open
Today is where your book begins
The rest is still unwritten

Oh, oh, oh
I break tradition
Sometimes my tries are outside the lines
We've been conditioned to not make mistakes
But I can't live that way
Staring at the blank page before you
Open up the dirty window
Let the sun illuminate the words that you could not find
Reaching for something in the distance
So close you can almost taste it
Release your inhibitions
Feel the rain on your skin
No one else can feel it for you
Only you can let it in
No one else, no one else
Can speak the words on your lips
Drench yourself in words unspoken
Live your life with arms wide open
Today is where your book begins
Feel the rain on your skin
No one else can feel it for you
Only you can let it in
No one else, no one else
Can speak the words on your lips
Drench yourself in words unspoken
Live your life with arms wide open
Today is where your book begins
The rest is still unwritten
Staring at the blank page before you
Open up the dirty window
Let the sun illuminate the words that you could not find
Reaching for something in the distance
So close you can almost taste it
Release your inhibitions
Feel the rain on your skin
No one else can feel it for you
Only you can let it in
No one else, no one else
Can speak the words on your lips
Drench yourself in words unspoken
Live your life with arms wide open
Today is where your book begins
Feel the rain on your skin
No one else can feel it for you
Only you can let it in
No one else, no one else
Can speak the words on your lips
Drench yourself in words unspoken
Live your life with arms wide open
Today is where your book begins
The rest is still unwritten
The rest is still unwritten
The rest is still unwritten
Oh, yeah, yeah

Gimme Love

you don't wanna dance with me
But, babe, that's what I need
Please now, just this once
Dance, babe, dance, baby
You don't wanna sing with me
But, babe, that's what I need
Please now, just this once
Sing, baby, yeah, la-la-la-la
Sing, baby, la-la-la, la-da-la
Come now, do this just for me, yeah
I don't ask for much
Gimme love, gimme love, gimme love, baby
(Gimme love, gimme love, gimme love)
Oh, please now, do this just for me, yeah
I don't ask for much
Gimme love, gimme love, gimme love, baby
(Gimme love, gimme love, gimme love)
Oh, please (gimme love, gimme love, gimme love, baby)
Please (gimme love, gimme love, gimme love, baby)
You don't wanna fight for me
But, babe, that's what I need
Please now, just this once
Fight for me
Baby, yeah, la-la-la-la
Sing, baby, la-la-la, la-da-la
Come now, do this just for me, yeah
I don't ask for much
Gimme love, gimme love, gimme love, baby
(Gimme love, gimme love, gimme love)
Oh, please now, do this just for me, yeah
I don't ask for much
Gimme love, gimme love, gimme love, baby
(Gimme love, gimme love, gimme love)
Oh, please (gimme love, gimme love, gimme love, baby)
Please (gimme love, gimme love, gimme love, baby)
Come now, do this just for me, yeah
I don't ask for much
Gimme love, gimme love, gimme love, baby
Oh, please now, do this just for me, yeah
I don't ask for much
Gimme love, gimme love, gimme love, baby
Gimme love, gimme love, gimme love
Gimme love, gimme love, gimme love
Gimme love, gimme love, gimme love, gimme love

One Day Like This

Drinking in the morning sun
Blinking in the morning sun
Shaking off a heavy one
Yeah, heavy like a loaded gun

What made me behave that way?
Using words I never say
I can only think it must be love
Oh anyway, it's looking like a beautiful day

Someone tell me how I feel
It's silly wrong, but vivid right
Oh, kiss me like a final meal
Yeah, kiss me like we die tonight

'Cause holy cow, I love your eyes
And only now I see the light
Yeah, lying with you half awake
Oh, anyway, it's looking like a beautiful day

When my face is chamois creased
If you think I wink, I did
Laugh politely at repeats
Yeah, kiss me when my lips are thin

'Cause holy cow, I love your eyes
And only now I see the light
Yeah, lying with you half awake
Stumbling over what to say
Well, anyway, it's looking like a beautiful day

So throw those curtains wide
One day like this a year would see me right
Throw those curtains wide
One day like this a year would see me right

Throw those curtains wide
One day like this a year would see me right
Throw those curtains wide
One day like this a year would see me right for life

Throw those curtains wide
'Cause holy cow, I love your eyes
One day like this a year would see me right
And only now I see the light
Throw those curtains wide
'Cause holy cow, I love your eyes
One day like this a year would see me right

And only now I see the light

Throw those curtains wide
One day like this a year would see me right
Throw those curtains wide
One day like this a year would see me right

Throw those curtains wide
One day like this a year would see me right
Throw those curtains wide
One day like this a year would see me right

Throw those curtains wide
One day like this a year would see me right
Throw those curtains wide
One day like this a year would see me right

Throw those curtains wide
One day like this a year would see me right
Throw those curtains wide
One day like this a year would see me right

Mr Blue Sky

Sun is shinin' in the sky
There ain't a cloud in sight
It's stopped rainin', everybody's in the play
And don't you know
It's a beautiful new day? Hey
Runnin' down the avenue
See how the sun shines brightly in the city
On the streets where once was pity
Mr. Blue Sky is living here today, hey
Mr. Blue Sky, please tell us why
You had to hide away for so long (so long)
Where did we go wrong?
Mr. Blue Sky, please tell us why
You had to hide away for so long (so long)
Where did we go wrong?
Hey you with the pretty face
Welcome to the human race
A celebration, Mr. Blue Sky's up there waitin'
And today is the day we've waited for
Oh, Mr. Blue Sky, please tell us why
You had to hide away for so long (so long)
Where did we go wrong?
Hey there, Mr. Blue
We're so pleased to be with you
Look around, see what you do
Everybody smiles at you

Hey there, Mr. Blue
We're so pleased to be with you
Look around, see what you do
Everybody smiles at you
Mr. Blue, you did it right
But soon comes Mr. Night creepin' over
Now his hand is on your shoulder
Never mind, I'll remember you this
I'll remember you this way
Mr. Blue Sky, please tell us why
You had to hide away for so long (so long)
Where did we go wrong?
Hey there Mr. Blue (sky)
We're so pleased to be with you (sky)
Look around see what you do (blue)
Everybody smiles at you
