Happiness - Ken Dodd

Happiness, happiness, the greatest gift that I possess
I thank the Lord that I've been blessed
With more than my share of happiness

To me this old world is a wonderful place
I'm just about the luckiest human in the whole human race
I've got no silver and I've got no gold
But I've got happiness in my soul

Happiness to me is an ocean tide
A sunset fading on a mountain side
A big old heaven full of stars above
When I'm in the arms of the one I love

Oh, happiness, happiness, the greatest gift that I possess
I thank the Lord that I've been blessed
With more than my share of happiness

Happiness is a field of grain
Turning its face to the falling rain
I see it in the sunshine, breathe it in the rain
Happiness, happiness everywhere

A wise old man told me one time
Happiness is a frame of mind
When you go to measuring my success
Don't count my money count my happiness

Oh, happiness, happiness, the greatest gift that I possess
I thank the Lord I've been blessed
With more than my share of happiness

Oh, happiness, happiness, the greatest gift that I possess
I thank the Lord I've been blessed
With more than my share of happiness
I got more than my share of happiness

But I Do - Clarence Henry

I don't know why I love you, but I do
I don't know why I cry so, but I do
I only know I'm lonely and that I want you only
I don't know why I love you, but I do

I can't sleep nights because I feel so restless
I don't know what to do, I feel so helpless
And since you've been away, I cry both night and day
I don't know why I love you but I do

My days have been so lonely
My nights have been so blue
I don't know how I stand it, but I do
Each night I sit alone and tell myself
That I will fall in love with someone else
I guess I'm wastin' time, but I've got to clear my mind
I don't know why I love you, but I do

Can't help Falling In Love - Elvis Presley

Wise men say
Only fools rush in
But I can't help falling in love with you

Shall I stay?
Would it be a sin
If I can't help falling in love with you?

Like a river flows
Surely to the sea
Darling, so it goes
Some things are meant to be

Take my hand
Take my whole life, too
For I can't help falling in love with you

Like a river flows
Surely to the sea
Darling, so it goes
Some things are meant to be

Take my hand
Take my whole life, too
For I can't help falling in love with you
For I can't help falling in love with you

A Teenager in Love - Dion and the Belmonts

Ooh, wa-oooh
Ooh, wa-oooh
Each time we have a quarrel, it almost breaks my heart
'Cause I'm so afraid that we will have to part

Each night I ask the stars up above
Why must I be a teenager in love?

One day I feel so happy, next day I feel so sad
I guess I'll learn to take the good with the bad
'Cause each night I ask the stars up above
Why must I be a teenager in love?

I cried a tear for nobody but you
I'll be a lonely one, if you should say we're through
Well, if you want to make me cry, that won't be so hard to do
And if you should say goodbye, I'll still go on loving you

Each night I ask the stars up above
Why must I be a teenager in love?

I cried a tear for nobody but you
I'll be a lonely one, if you should say we're through
Well, if you want to make me cry, that won't be so hard to do
And if you should say goodbye, I'll still go on loving you

Each night I ask the stars up above
Why must I be a teenager in love? (In love, wa-oooh)
Why must I be a teenager in love? (In love, wa-oooh)
Why must I be a teenager in love? (In love, wa-oooh)
Why must I be a teenager in love?

Any Dream Will Do - Joseph and the Technicolour Dream Coat

I closed my eyes,
Drew back the curtain,
To see for certain
What I thought I knew.

Far far away
Someone was weeping
But the world was sleeping.
Any dream will do...

I wore my coat
(I wore my coat)
With golden lining.
(ah-ah-ah)
Bright colours shining.

(ah-ah)
Wonderful and new.
And in the east
(and in the east)
The dawn was breaking
(ah-ah-ah)
And the world was waking.
(ah-ah)
Any dream will do...

A crash of drums!
A flash of light!
My golden coat
Flew out of sight!
The colours faded into darkness.
I was left alone...
May I return
(may I return)
To the beginning.
(ah-ah-ah)
The light is dimming,
(ah-ah)
And the dream is too.
The world and I,
(the world and I)
We are still waiting.
(ah-ah-ah)
Still hesitating.
(ah-ah)
Any dream will do...
Any dream will do...

A crash of drums!
A flash of light!
My golden coat
Flew out of sight!
The colours faded into darkness.
I was left alone...
May I return
(may I return)
To the beginning.
(ah-ah-ah)
The light is dimming,
(ah-ah)
And the dream is too.
The world and I
(the world and I)
We are still waiting
(ah-ah-ah)
Still hesitating
(ah-ah)
Any dream will do...
Any dream will do

Let's Go Fly A Kite - David Tomlinson

With tuppence for paper and strings
You can have your own set of wings
With your feet on the ground
You're a bird in flight
With your fist holding tight
To the string of your kite

Oh-oh-oh
Let's go fly a kite
Up to the highest height
Let's go fly a kite
And send it soaring
Up through the atmosphere
Up where the air is clear
Oh, let's go fly a kite

When you send it flyin' up there
All at once you're lighter than air
You can dance on the breeze
Over 'ouses and trees
With your fist 'olding tight
To the string of your kite

Oh-oh-oh
Let's go fly a kite
Up to the highest height
Let's go fly a kite
And send it soaring
Up through the atmosphere
Up where the air is clear
Oh, let's go fly a kite

Que Sera Sera - Doris Day

When I was just a little girl
I asked my mother what will I be?
Will I be pretty? Will I be rich?
Here's what she said to me

Que sera, sera
Whatever will be, will be
The future's not ours to see
Que sera, sera
What will be, will be

When I grew up and fell in love
I asked my sweetheart what lies ahead?
Will we have rainbows day after day?
Here's what my sweetheart said

Que sera, sera
Whatever will be, will be
The future's not ours to see
Que sera, sera
What will be, will be

Now I have children of my own
They ask their mother what will I be
Will I be handsome? Will I be rich?
I tell them tenderly

Que sera, sera
Whatever will be, will be
The future's not ours to see
Que sera, sera
What will be, will be
Que sera, sera

We'll Meet Again - Vera Lynn

We'll meet again
Don't know where
Don't know when
But I know we'll meet again some sunny day
Keep smiling through
Just like you always do
'Till the blue skies drive the dark clouds far away

So will you please say hello
To the folks that I know
Tell them I won't be long
They'll be happy to know
That as you saw me go
I was singing this song

We'll meet again
Don't know where
Don't know when
But I know we'll meet again some sunny day
We'll meet again
Don't know where
Don't know when
But I know we'll meet again some sunny day
Keep smiling through
Just like you always do
'Til the blue skies
Drive the dark clouds far away

So will you please say hello
To the folks that I know
Tell them it won't be long

They'll be happy to know
That as you saw me go
I was singin' this song

We'll meet again
Don't know where
Don't know when
But I know we'll meet again some sunny day

Brad Arliss Setlist

Streets of Grimsby - Brad Arliss
I Fought The Law - The Clash
Wonderful World - Ramones version
Ring Of Fire - Johnny Cash
All The Small Things - Blink 182
Good Riddance (Time of Your Life) - Greenday

Streets of Grimsby - Brad Arliss

Come from a land of industry,
Where we once sailed off out to sea
And celebrated history
With the boom of the fishing industry
But as much as we tried to maintain our station,
We somehow lost our reputation
And swapped our dreams of history
For squalor and austerity

The streets of Grimsby, well they're no place to be
The streets of Grimsby, they're no place for you and me

Home to ninety thousand indigents
Yet famous for a dearth of intelligence
The only place you will ever see
You better learn to love this town – Grimsby!

The streets of Grimsby, well you better watch out tonight
The streets of Grimsby, you'll be here for the rest of your life

The streets of Grimsby, now they're the place to be
The streets of Grimsby, you better watch out on the BBC!

I Fought The Law - The Clash

Breakin' rocks in the hot sun
I fought the law and the law won
I fought the law and the law won
I needed money 'cause I had none
I fought the law and the law won
I fought the law and the law won

I left my baby and it feels so bad
Guess my race is run
She's the best girl that I ever had
I fought the law and the law won
I fought the law and the

Robbin' people with a six-gun

I fought the law and the law won
I fought the law and the law won
I lost my girl and I lost my fun
I fought the law and the law won
I fought the law and the law won

I left my baby and it feels so bad
Guess my race is run
She's the best girl that I ever had
I fought the law and the law won
I fought the law and the

I fought the law and the law won
I fought the law and the law won
I fought the law and the law won
I fought the law and the law won
I fought the law and the law won
I fought the law and the law won
I fought the law and the law won

Wonderful World - Ramones version

I see trees of green, red roses too.
I see them bloom for me and you.
and I say to myself what a wonderful world.

I see skies of blue and clouds of white.
bright sunny days, dark sacred nights,
and I think to myself what a wonderful world.

The colors of the rainbow are so pretty in the skies.
Are also on the faces of people walking by.
I see friends shaking hands sayin' "how do you do?".
They're really saying "I love you".

I see babies cry, I watch them grow,
they'll learn much more than I'll ever know.
And I think to myself what a wonderful world.
Yes I think to myself what a wonderful world.
And I say to myself what a wonderful world.

Ring Of Fire - Johnny Cash

Love is a burning thing
And it makes a fiery ring
Bound by wild desire
I fell into a ring of fire

I fell into a burning ring of fire
I went down, down, down and the flames went higher
And it burns, burns, burns
The ring of fire, the ring of fire

I fell into a burning ring of fire
I went down, down, down and the flames went higher
And it burns, burns, burns
The ring of fire, the ring of fire

The taste of love is sweet
When hearts like ours meet
I fell for you like a child
Oh, but the fire went wild

I fell into a burning ring of fire
I went down, down, down and the flames went higher
And it burns, burns, burns
The ring of fire, the ring of fire

I fell into a burning ring of fire
I went down, down, down and the flames went higher
And it burns, burns, burns
The ring of fire, the ring of fire

And it burns, burns, burns
The ring of fire, the ring of fire
The ring of fire, the ring of fire...

All The Small Things - Blink 182

All the small things
True care, truth brings
I'll take one lift
Your ride, best trip
Always, I know
You'll be at my show
Watching, waiting
Commiserating

Say it ain't so, I will not go
Turn the lights off, carry me home

[Tom DeLonge & Mark Hoppus:]
Na na, na na, na na, na na, na na
Na na, na na, na na, na na, na na
Na na, na na, na na, na na, na na
Na na, na na, na na, na na, na na

[Tom DeLonge:]
Late night, come home

Work sucks, I know
She left me roses by the stairs
Surprises let me know she cares

Just say it ain't so, I will not go
Turn the lights off, carry me home

[Tom DeLonge & Mark Hoppus:]
Na na, na na, na na, na na, na na, na na
Na na, na na, na na, na na, na na, na na
Na na, na na, na na, na na, na na, na na
Na na, na na, na na, na na, na na, na na

Say it ain't so, I will not go
Turn the lights off, carry me home
Keep your head still, I'll be your thrill
The night will go on, my little windmill

(Na na, na na, na na, na na, na na, na na)
Say it ain't so, I will not go
(Na na, na na, na na, na na, na na, na na)
Turn the lights off, carry me home
(Na na, na na, na na, na na, na na, na na)
Keep your head still, I'll be your thrill
(Na na, na na, na na, na na, na na, na na)
The night will go on, the night will go on, my little windmill

Good Riddance (Time of Your Life) - Greenday

Another turning point, a fork stuck in the road
Time grabs you by the wrist, directs you where to go
So make the best of this test, and don't ask why
It's not a question, but a lesson learned in time
It's something unpredictable
But in the end, it's right
I hope you had the time of your life
So take the photographs and still frames in your mind
Hang it on a shelf in good health and good time
Tattoos of memories, and dead skin on trial
For what it's worth, it was worth all the while
It's something unpredictable
But in the end, it's right
I hope you had the time of your life
It's something unpredictable
But in the end, it's right
I hope you had the time of your life
It's something unpredictable
But in the end, it's right
I hope you had the time of your life

Go Your Own Way - Fleetwood Mac
Hallelujah - Geof Buckley
Folsom Prison Blues - Johnny Cash

Dirty Old Town - The Pogues

I met my love by the gas works wall
Dreamed a dream by the old canal
I kissed my girl by the factory wall
Dirty old town
Dirty old town

Clouds are drifting across the moon
Cats are prowling on their beat
Spring's a girl from the streets at night
Dirty old town
Dirty old town

I heard a siren from the docks
Saw a train set the night on fire
I smelled the spring on the smoky wind
Dirty old town
Dirty old town

I'm gonna make me a good sharp axe
Shining steel tempered in the fire
I'll chop you down like an old dead tree
Dirty old town
Dirty old town

I met my love by the gas works wall
Dreamed a dream by the old canal
I kissed my girl by the factory wall
Dirty old town
Dirty old town
Dirty old town
Dirty old town

I Wanna Be Like You (King of the Swingers) - Jungle Book

Now, I'm the king of the swingers
Oh, the jungle VIP
I've reached the top and had to stop
And that's what botherin' me
I wanna be a man, mancub
And stroll right into town
And be just like the other men
I'm tired of monkeyin' around!

Oh, oobee doo
I wanna be like you
I wanna walk like you
Talk like you, too
You'll see it's true
An ape like me
Can learn to be human too

Gee, cousin Louie
You're doin' real good
Now here's your part of the deal, cuz
Lay the secret on me of man's red fire
But I don't know how to make fire

Now, don't try to kid me, mancub
I made a deal with you
What I desire is man's red fire
To make my dream come true
Now, give me the secret, mancub
C'mon, clue me what to do
Give me the power of man's red flower
So I can be like you

You!
I wanna be like you
I wanna walk like you
Talk like you, too

You'll see it's true
Someone like me
Can learn to be
Like someone like me
Take me home daddy

Can learn to be
Like someone like you
One more time
Yeah
Can learn to be
Like someone like me!

Somebody to Love - Queen

Can anybody find me
Somebody to love?

Ooh, each morning I get up I die a little
Can barely stand on my feet
Take a look at yourself in the mirror and cry
Take a look in the mirror and cry
Lord, what you're doing to me? (Yeah, yeah)
I have spent all my years in believing you
But I just can't get no relief, Lord

Somebody (Somebody)
Ooh, somebody (Somebody)
Can anybody find me
Somebody to love?
Yeah

I work hard (He works hard) every day of my life
I work 'til I ache my bones
At the end (At the end of the day) I take home (takes home)
My hard-earned pay all on my own
(Goes home, goes home on his own)

I go down (down) on my knees (knees)
And I start to pray (praise the Lord)
'Til the tears run down from my eyes
Lord, somebody (somebody), somebody (please)
Can anybody find me somebody to love?

(he works hard) everyday (everyday)
I try, and I try, and I try

But everybody wants to put me down
They say I'm going crazy
They say I got a lot of water in my brain
I got no common sense (he's got)
I got nobody left to believe in
Yeah, yeah, yeah, yeah

Oh, Lord
Somebody (somebody), somebody (somebody)
Can anybody find me somebody to love?
(Can anybody find me someone to love)

Got no feel, I got no rhythm
I just keep losing my beat (you just keep losing and losing)
I'm OK, I'm alright (he's alright, he's alright)
I ain't gonna face no defeat (Yeah, yeah)
I just gotta get out of this prison cell
One day (someday) I'm gonna be free, Lord!

(Find me somebody to love)
(Find me somebody to love)
(Find me somebody to love)
(Find me somebody to love)
Find me, find me
(Find me somebody to love)
Find
(Find me somebody to love)
(Find me somebody to love, love, love)
Find me, find me
(Find me somebody to love)
Somebody to love
(Find me somebody to love)
(Somebody, somebody, somebody, somebody)
(Somebody find me, somebody find me somebody to love)

Can anybody find me somebody to love?

(Find me somebody to love)
(Find me somebody to love)
Find me, somebody, somebody
(Find me somebody to love)
Somebody, somebody to love
(Find me somebody to love)
Find me, find me, find me, find me, find me
(Find me somebody to love)
Ooh, somebody to love
(Find me somebody to love)
Find me, find me, find me somebody to love
(Find me somebody to love)
Anybody, anywhere, anybody, find me somebody to love
Love, love, love, love
Find me, find me, find me, yeah

Go Your Own Way - Fleetwood Mac

Loving you
Isn't the right thing to do
How can I ever change things
That I feel?
If I could
Baby, I'd give you my world
How can I
When you won't take it from me?
You can go your own way
Go your own way
You can call it
Another lonely day
You can go your own way
Go your own way
Tell me why

Everything turned around
Packing up
Shacking up is all you want to do
If I could
Baby, I'd give you my world
Open up
Everything's waiting for you
You can go your own way
Go your own way
You can call it
Another lonely day
You can go your own way
Go your own way
You can go your own way
Go your own way
You can call it
Another lonely day
Another lonely day
You can go your own way
Go your own way
You can call it
Another lonely day
You can go your own way
You can call it
Another lonely day
You can go your own way

Hallelujah - Geof Buckley

Well, I heard there was a secret chord
That David played and it pleased the Lord
But you don't really care for music, do you?
Well it goes like this:
The fourth, the fifth, the minor fall and the major lift
The baffled king composing Hallelujah

Hallelujah, Hallelujah, Hallelujah, Hallelujah...

Well your faith was strong but you needed proof
You saw her bathing on the roof
Her beauty and the moonlight overthrew ya
She tied you to her kitchen chair
She broke your throne and she cut your hair
And from your lips she drew the Hallelujah

Hallelujah, Hallelujah, Hallelujah, Hallelujah...

Well, baby, I've been here before
I've seen this room and I've walked this floor (you know)
I used to live alone before I knew ya
And I've seen your flag on the marble arch

And love is not a victory march
It's a cold and it's a broken Hallelujah

Hallelujah, Hallelujah, Hallelujah, Hallelujah...

Well, there was a time when you let me know
What's really going on below
But now you never show that to me, do ya?
But remember when I moved in you
And the holy dove was moving too
And every breath we drew was Hallelujah

Hallelujah, Hallelujah, Hallelujah, Hallelujah...

Maybe there's a God above
But all I've ever learned from love
Was how to shoot somebody who outdrew ya
And it's not a cry that you hear at night
It's not somebody who's seen the light
It's a cold and it's a broken Hallelujah

Hallelujah, hallelujah, hallelujah, hallelujah...
Hallelujah, hallelujah, hallelujah, hallelujah...
Hallelujah, hallelujah, hallelujah
Hallelujah, hallelujah

Folsom Prison Blues - Johnny Cash

I hear the train a comin'
It's rolling round the bend
And I ain't seen the sunshine since I don't know when
I'm stuck in Folsom prison, and time keeps draggin' on
But that train keeps a rollin' on down to San Antone

When I was just a baby my mama told me
"Son, always be a good boy, don't ever play with guns"
But I shot a man in Reno just to watch him die
When I hear that whistle blowing, I hang my head and cry

I bet there's rich folks eating in a fancy dining car
They're probably drinkin' coffee and smoking big cigars
Well I know I had it coming, I know I can't be free
But those people keep a movin'
And that's what tortures me

Well if they freed me from this prison
If that railroad train was mine
I bet I'd move it on a little farther down the line
Far from Folsom prison, that's where I want to stay
And I'd let that lonesome whistle blow my blues away

Dog Days - Florence and the Machine

The dog days are over, oh
The dog days are done
Can you hear the horses?
'Cause here they come
The dog days are over, oh
The dog days are done
Can you hear the horses?
'Cause here they come
The dog days are over, oh
The dog days are done
Can you hear the horses?
'Cause here they come
The dog days are over, oh
The dog days are done
Can you hear the horses?
'Cause here they come

We only said goodbye with words
I died a hundred times
You go back to her
And I go back to...

I go back to us

Tennessee Whiskey - Chris Stapleton

Used to spend my nights out in a bar room
Liquor was the only love I've known
But you rescued me from reachin' for the bottom
And brought me back from being too far gone
You're as smooth
As Tennessee whiskey
You're as sweet
As strawberry wine
You're as warm
As a glass of brandy
And honey, I stay stoned on your love
All the time
I've looked for love in all the same old places
Found the bottom of the bottles always dry
But when you poured out your heart I didn't waste it
'Cause there's nothing like your love to get me high
You're as smooth
As Tennessee whiskey
You're as sweet

As strawberry wine
You're as warm
As a glass of brandy
And honey, I stay stoned on your love
All the time
You're as smooth
As Tennessee whiskey
You're as sweet
As strawberry wine
You're as warm
As a glass of brandy
Honey, I stay stoned on your love
All the time
You're as smooth
As Tennessee whiskey
Tennessee Whiskey
Tennessee Whiskey
You're as smooth
As Tennessee Whiskey
Tennessee whiskey

Walk On By - Dionna Warwick

If you see me walking down the street
And I start to cry each time we meet
Walk on by, walk on by
Make believe
That you don't see the tears
Just let me grieve
In private 'cause each time I see you
I break down and cry
And walk on by
(Don't stop)
And walk on by
(Don't stop)
And walk on by
I just can't get over losing you
And so if I seem broken and blue
Walk on by, walk on by
Foolish pride
Is all that I have left
So let me hide
The tears and the sadness you gave me
When you said goodbye
Walk on by
And walk on by
And walk by
(Don't stop)
Walk on by, walk on by
Foolish pride

Is all that I have left
So let me hide
The tears and the sadness you gave me
When you said goodbye
Walk on by
(Don't stop)
And walk on by
(Don't stop)
And walk by
(Don't stop)

Purple Rain - Prince

I never meant to cause you any sorrow
I never meant to cause you any pain
I only wanted one time to see you laughing
I only want to see you laughing in the purple rain

Purple rain, purple rain
Purple rain, purple rain
Purple rain, purple rain

I only want to see you bathing in the purple rain

I never wanted to be your weekend lover
I only wanted to be some kind of friend
Baby, I could never steal you from another
It's such a shame our friendship had to end

Purple rain, purple rain
Purple rain, purple rain
Purple rain, purple rain

I only want to see you underneath the purple rain

Honey I know, I know, I know times are changing
It's time we all reach out for something new
That means you too
You say you want a leader
But you can't seem to make up your mind
I think you better close it
And let me guide you to the purple rain

Purple rain, purple rain
Purple rain, purple rain

If you know what I'm singing about up here
C'mon, raise your hand

Purple rain, purple rain

I only want to see you, only want to see you
In the purple rain

I Can't Go For That - Hall n Oates

Easy, ready, willing, overtime
Where does it stop?
Where do you dare me
To draw the line?
You've got the body
Now you want my soul
Don't even think about it
Say, "No go"

Yeah, I, I'll do anything
That you want me to
Yeah, I'll do almost anything
That you want me to, ooh
Yeah

But I can't go for that, no (No)
No can do
I can't go for that, no (No)
No can do
I can't go for that, no (No)
No can do
I can't go for that
Can't go for that
Can't go for that
Can't go for that

I can go for being' twice as nice
I can go for just repeating
The same old lines
Use the body
Now you want my soul
Ooh, forget about it
Now say, "no go"

Yeah, I, I'll do anything
That you want me to
Yeah, I'll do almost anything
That you want me to, ooh
Yeah

But I can't go for that, no (No)
No can do
I can't go for that, no (No)
No can do
I can't go for that, no (No)

This Is A Man's World - James Brown

This is a man's world, this is a man's world
But it wouldn't be nothing, nothing without a woman or a girl
You see, man made the cars to take us over the road
Man made the train to carry the heavy load
Man made electric light to take us out of the dark
Man made the boat for the water, like Noah made the ark
This is a man's, man's, man's world
But it wouldn't be nothing, nothing without a woman or a girl
Man thinks about our little bitty baby girls and our baby boys
Man made them happy, 'cause man made them toys
And after man make everything, everything he can
You know that man makes money, to buy from other man
This is a man's world
But it wouldn't be nothing, nothing, not one little thing, without a woman or a girl
He's lost in the wilderness
He's lost in bitterness, he's lost lost

Spirit Move - Bethel Music

I feel it in my bones, You're about to move
I feel it in the wind, You're about to ride in
You said that You would pour Your spirit out
You said that You would fall on sons and daughters
So come
I feel it in my bones, You're about to move
I feel it in the wind, You're about to ride in
You said that You would pour Your spirit out
You said that You would fall on sons and daughters
So like the rain, come and drench us in love
Let Your glory rush in like a flood

We are fixed on this one thing
To know Your goodness and see Your glory
We're transformed by this one thing
To know Your presence and see Your beauty
I can see it now, Your kingdom come
I can hear it now, the sounds of heaven
You said that if we ask, we'll receive
We are asking for the greater measure
So like the rain, come and drench us in love
Let Your power rush in like a flood
We are fixed on this one thing
To know Your goodness and see Your glory
We're transformed by this one thing
To know Your presence and see Your beauty
So come and blow on through
Spirit move, we're ready for You to
Come and blow on through
Come and do what only You can do
So come and blow on through
Spirit move, we're ready for You to
Come and blow on through
Come and do what only You can do
We are fixed on this one thing
To know Your goodness and see Your glory
We're transformed by this one thing
To know Your presence and see Your beauty
We are fixed on this one thing
To know Your goodness and see Your glory
We're transformed by this one thing
To know Your presence and see Your beauty

Feeling Good - Michael Buble

Birds flying high
You know how I feel
Sun in the sky
You know how I feel
Breeze driftin' on by
You know how I feel
It's a new dawn
It's a new day
It's a new life
For me
And I'm feeling good
I'm feeling good
Fish in the sea
You know how I feel
River running free
You know how I feel
Blossom on a tree
You know how I feel

It's a new dawn
It's a new day
It's a new life
For me
And I'm feeling good
Dragonfly out in the sun, you know what I mean, don't you know
Butterflies all havin' fun, you know what I mean
Sleep in peace when day is done, that's what I mean
And this old world is a new world
And a bold world
For me
For me
Stars when you shine
You know how I feel
Scent of the pine
You know how I feel
Oh, freedom is mine
And I know how I feel
It's a new dawn
It's a new day
It's a new life
It's a new dawn
It's a new day
It's a new life
It's a new dawn
It's a new day
It's a new life
It's a new life
For me
And I'm feeling good
I'm feeling good
I feel so good
I feel so good

Aint No Sunshine - Bill Withers

Ain't no sunshine when she's gone
It's not warm when she's away
Ain't no sunshine when she's gone
And she's always gone too long
Anytime she's goes away
Wonder this time where she's gone
Wonder if she's gone to stay
Ain't no sunshine when she's gone
And this house just ain't no home
Anytime she goes away
And I know, I know, I know, I know
I know, I know, I know, I know, I know
I know, I know, I know, I know, I know
I know, I know, I know, I know, I know
I know, I know, I know, I know, I know

I know, I know
Hey, I ought to leave young thing alone
But ain't no sunshine when she's gone, whoa-whoa
Ain't no sunshine when she's gone
Only darkness every day
Ain't no sunshine when she's gone
And this house just ain't no home
Anytime she goes away
Anytime she goes away
Anytime she goes away
Anytime she goes away

Kiss - Prince

You don't have to be beautiful to turn me on
I just need your body, baby, from dusk 'til dawn
You don't need experience to turn me out
You just leave it all up to me
I'm gonna show you what it's all about
You don't have to be rich to be my girl
You don't have to be cool to rule my world
Ain't no particular sign I'm more compatible with
I just want your extra time and your kiss
You got to not talk dirty, baby, if you wanna impress me
You can't be too flirty, mama, I know how to undress me
I want to be your fantasy, maybe you could be mine
You just leave it all up to me, we could have a good time
You don't have to be rich to be my girl
You don't have to be cool to rule my world
Ain't no particular sign I'm more compatible with
I just want your extra time and your kiss (everybody)
I think I wanna dance
You don't have to be rich to be my girl
You don't have to be cool to rule my world
Ain't no particular sign I'm more compatible with
I just want your extra time and your kiss

Let's Stay Together - Al Green

Let's stay together
I, I'm I'm so in love with you
Whatever you want to do
Is all right with me
'Cause you make me feel so brand new
And I want to spend my life with you
Let me say that since, baby, since we've been together
Ooh, loving you forever
Is what I need
Let me, be the one you come running to

I'll never be untrue
Oh baby
Let's, let's stay together ('gether)
Lovin' you whether, whether
Times are good or bad, happy or sad
Oh, oh, oh, oh, yeah
Whether times are good or bad, happy or sad
Why, somebody, why people break up?
Oh, then turn around and make up
I just can't see
You'd never do that to me (would you, baby?)
Just being around you is all I see
Here's what I want us do
Let's, we oughta stay together ('gether)
Loving you whether, whether
Times are good or bad, happy or sad
Come on
Let's, woo (let's stay together) let's stay together
Loving you whether, whether times are good or bad

Viva La Vida - Coldplay

I used to rule the world
Seas would rise when I gave the word
Now in the morning, I sleep alone
Sweep the streets I used to own
I used to roll the dice
Feel the fear in my enemy's eyes
Listen as the crowd would sing
Now the old king is dead, long live the king
One minute, I held the key
Next the walls were closed on me
And I discovered that my castles stand
Upon pillars of salt and pillars of sand
I hear Jerusalem bells a-ringin'
Roman Cavalry choirs are singin'
Be my mirror, my sword and shield
My missionaries in a foreign field
For some reason, I can't explain
Once you'd gone, there was never, never an honest word
And that was when I ruled the world
It was a wicked and wild wind
Blew down the doors to let me in
Shattered windows and the sound of drums
People couldn't believe what I'd become
Revolutionaries wait
For my head on a silver plate
Just a puppet on a lonely string
Aw, who would ever wanna be king?
I hear Jerusalem bells a-ringin'
Roman Cavalry choirs are singing

Be my mirror, my sword and shield
My missionaries in a foreign field
For some reason, I can't explain
I know Saint Peter won't call my name
Never an honest word
But that was when I ruled the world
I hear Jerusalem bells a-ringin'
Roman Cavalry choirs are singin'
Be my mirror, my sword and shield
My missionaries in a foreign field
For some reason I can't explain
I know Saint Peter won't call my name
Never an honest word
But that was when I ruled the world

I Wish - Stevie Wonder

Looking back on when I
Was a little nappy headed boy
Then my only worry
Was for Christmas what would be my toy
Even though we sometimes
Would not get a thing
We were happy with the
Joy the day would bring
Sneaking out the back door
To hang out with those hoodlum friends of mine
Greeted at the back door
With, "Boy thought I told you not to go outside"
Trying your best to bring the water to your eyes
Thinking it might stop her from whooping your behind
I wish those days could come back once more
Why did those days ever have to go?
I wish those days could come back once more
Why did those days ever have to go?
'Cause I love them so
Brother says he's telling
'Bout you playing doctor with that girl
Just don't tell and I'll give you
Anything you want in this whole wide world
Mama gives you money for Sunday school
You trade yours for candy after church is through
Smoking cigarettes and writing something nasty on the wall (you nasty boy)
Teacher sends you to the principal's office down the hall
You grow up and learn that kind of thing isn't right
But while you were doing it-it sure felt out to sight
I wish those days could come back once more
Why did those days ever have to go?
I wish those days could come back once more
Why did those days ever have to go?
